STAY CURRENT!

Rapidly changing law makes it imperative that you have access to the latest authority. Don't be caught short by an unfamiliar citation! The 2003 Supplement to *Handling Federal Discovery* keeps you on the cutting edge of this difficult area of law. The authors' years of experience give you the tools you must have to obtain the discovery you need.

- Over 100 new citations to recent federal cases! Just a few of the topics discussed include:
 - Shifting costs of discovery of electronic data to the requesting party;
 - Attorney/client privilege objections and electronically stored data;
 - Depositions of "apex" corporate executives;
 - Sanctions for improper instructions not to answer deposition questions;
 - Remedy for inadequate expert reports;
 - Deposing non-testifying experts;
 - Limitations on the court's power re: protective orders.
- Dozens of new Practice Tips!

AND MORE!

We are confident that you won't want to be without this year's supplement because it is a great source of information and new ideas. If, however, you do not wish to keep the supplement, you may return it with the enclosed invoice (stating reason for return on the back) to the information below within 30 days for full credit. Our most useful source of improvements is feedback from our subscribers, so if you have any comments, we would love to hear from you.
