

by Robinson C. Ramsey

## HIGHLIGHTS

This supplement expands the ability of *Texas Family Law Evidence* to help you make winning evidentiary arguments and conduct effective witness examinations. In it you will find:

### **Improved Direct and Cross Examination Outlines**

Twenty-six updated outlines with updated case authorities and examination topics, including:

- Request for child support past age eighteen/graduation from high school
- Voluntary unemployment/underemployment to avoid paying child support
- Grounds for terminating parental rights

Four new examination outlines:

- Cross examination of petitioner requesting managing conservatorship of children
- Cross examination of petitioner requesting temporary support
- Direct examination of petitioner requesting protective order
- Cross examination of petitioner requesting protective order

### **The Latest Published Family Law Evidence Cases**

Citations to and discussions of dozens of new Texas cases. Over 40 new case citations added this year!

### **Updated Texas Rules of Evidence Annotations**

Over 25 new annotations help you find quick references to supporting case law relating to family law evidentiary issues.
